## Old meets new... East meets West

**Home** to a large expatriate population, Dubai is a cosmopolitan city with a distinctive cultural blend of old meets new and east meets west. These contrasts give Dubai a unique flavour and personality. It is the sports capital of the Middle East, hosting world class international events, and offers superb facilities for sports along with year-round guaranteed sunshine.

Sport is huge in Dubai, with many youth competitions and fixtures being played at Dubai Sports City, home of the Dubai Rugby Sevens. Playing and training facilities here are first class and with Dubai schools following the UK curriculum, all your school sporting needs are catered for at all ages and abilities.

An increasingly popular destination, offering safaris into the desert by four-wheel drive with the excitement of dune driving, dhow cruises, bargains in the ancient souks or luxurious shopping malls and relaxing on the uncrowded white sandy beaches. Away from the Dubai heat you can go skiing or snowboarding at Dubai's indoor snow dome. A warm welcome awaits you in this fascinating city.
