

Italy

A classical style of its own

Sport is a passion in Italy, most noticeably football. Rugby, however, is on the increase with children as young as 11 and 12 now starting the game.

All age groups are catered for and fixtures can be arranged throughout the north east.

Benetton Treviso host one of the largest mini and junior rugby festivals in Europe if you prefer a tournament.

Cycling, golf, tennis and skiing are other popular activities.

Famous for its style and cuisine, Italy is a country full of inimitable charm and beauty from the northern snow capped Alps to the southern beaches.

Our recommended tour takes you to Lido di Jesolo, an attractive beach resort near the enchanting city of Venice. There is a long stretch of golden beach, a water park and plenty of water sports on offer.

Combined with the medieval city of Treviso for match days, this completes one of our most picturesque tours.

If you wish to head further south then Rome is always popular and there is nowhere better to combine sport with sightseeing.
