## Discover the hidden charm

**Affectionately** known as 'Sportugal'; rugby, football, hockey, basketball and golf are all available. As a touring destination, it is often in the shadow of Spain but overseas touring teams are more than welcome. Besides its three main attractions of sun, sea and sand, Portugal provides value for money as a tourist destination.

An independent kingdom since 1143, Portugal is one of the oldest nations in Europe. Situated on the west side of the Iberian peninsula, its location along the Atlantic determines its love affair with the sea.

Our first suggested itinerary takes you to Estoril, a charming seaside resort just outside the capital Lisbon. As well as being a pleasant and interesting day trip from Estoril, Lisbon is a suitable touring destination in its own right.

Alternatively, you might consider a trip to Faro in the Algarve, the southernmost region of Portugal, well known for glorious year-round sunshine and superb sandy beaches.
