## Comprehensive Travel Insurance

This scheme is valid for policies issued up to 30 June 2010\* and for departures up to 31 December 2010.

It is vital when travelling that you are properly insured. In order to be fully covered in the event of cancellation you should pay your premium at the same time as you make your booking. All other sections commence at the date of departure.

As Gullivers Sports Travel is an Appointed Representative of Fogg Travel Insurance Services Limited, who with Insurers Tokio Marine Europe Insurance Limited are authorised and regulated by the Financial Services

Authority (FSA), we are able to offer our clients insurance tailored for our holidays.

The full policy document will be sent to you with your booking confirmation. It is also available on request or can be viewed and/or printed online at [www.gulliverstravel.co.uk/travel-insurance.aspx](http://www.gulliverstravel.co.uk/travel-insurance.aspx)

If you have your own travel insurance and decline our scheme, you need to sign our insurance indemnity included on the Booking Request Form.

\*Extended to 30 September 2010 for Ashes Australia Tour only.

### 24 hour Assistance

Naturally, the cover includes the provision of a 24 hour emergency service. Wherever you are, whatever the time of day or night, our medical assistance service is on hand to give you help in the event of an illness or accident while you are away. They will liaise with the local medical services to ensure that you get the right treatment and should it be medically necessary, arrange for you to be brought home.

### Reciprocal Health Agreement

In countries where reciprocal health arrangements exist all reasonable steps must be made to utilise them. Travellers to European Community countries and Switzerland are strongly advised to obtain the European Health Insurance Card (EHIC). This will entitle you to benefit from the reciprocal health arrangements which exist between European Union countries.

If travelling in Australia you should register with Medicare on arrival. There is a Medicare office in all major towns and cities in Australia. Registration is free and this will entitle you to reduced medical charges from doctors, reduced prescription charges and access to Medicare hospitals.

### Health

If you, or any other person on whom the travel plans depend (including close relatives or close business associates not travelling with you but on whom the travel plans depend), have ever had treatment for any heart or circulatory conditions, a stroke or high blood pressure, any breathing condition (including asthma), any type of cancer, any type of diabetes, any existing injury or other serious or re-occurring medical condition, any conditions requiring long term prescribed medication, or if you are receiving or awaiting investigation for any medical conditions you must advise the:

Referral Helpline on 0845 1300 198 (Mon-Fri 9am to 5pm) quoting Gullivers Sports Supporters and Tours Scheme

to see if cover is available. Insurers reserve the right to impose terms. You will receive confirmation in writing of their decision. Please note calls to the Referral Helpline may be monitored or recorded for audit or training purposes.

#### Telling us about relevant facts

You must tell insurers or ourselves before you travel about anything which may effect your cover. If you are not sure whether something is relevant you should tell us anyway. If you do not tell insurers about something that may be relevant your cover may be refused and insurers may not cover any related claims.

No claim arising directly or indirectly from a pre-existing health condition affecting an Insured Person or a close relative or close business associate will be covered unless:

- You have declared that condition to the Referral Helpline.
- You have declared any changes in your health or prescribed medication.
- Insurers have accepted that condition or change in condition for insurance in writing prior to departure.
